

# THE CENTRAL RECORD

PURE RELIGION, UNTARNISHED DEMOCRACY AND GOOD GOVERNMENT.

LANCASTER, KY., FRIDAY, JUNE 30, 1911.

NUMBER 12.

TWENTY SECOND YEAR.

WE HAVE A FEW

## Buggies & Surries

that we will make a special price on, as we do not want to move them to our new location (Mason Hotel.)

Now is the time to get bar gains in **BUGGIES**. All this work is **GUARANTEED**.

Come early, don't delay and let your neighbor get the choice. They are going to sell.

We can save you money if you will let us.

**CONN BROTHERS**

Lancaster, Ky.

One good thing about investing your money here at home is the fact that before you invest you can investigate.

Funny how some men who are afraid to invest in the local factory will fall over themselves to buy a peach orchard in Alaska.

The Lancaster colored base ball team defeated the strong Stanford team on last Friday afternoon. The score being 10 to 0. Batteries for Lancaster were Burdett & Emerson.

### Back On The Road.

Mr. Shirley B. Elkin will again go on the road on July 1st as a traveling salesman for the Endicott, Johnson Shoe Co. of St. Louis Mo. His territory will be West Virginia.

### It Would Be A Plenty.

Middlesboro has a merchant who advertises over the catchy cognomen of "H. Stopinski." The ad does not state what would happen to if you do, but we dare say it would be a plenty.

### McDermott Speaks.

Hon. Edward J. McDermott of Louisville, candidate for the Democratic nomination for Lieutenant Governor, addressed a large audience at the court house Monday afternoon in the interest of his candidacy. Mr. McDermott is a forceful speaker and his remarks were well received.

### Says They Are Anarchists.

"The man who dynamites a stream and kills fish, is as much an anarchist as the man who blows up a building and kills people. Millions of dollars are spent in Maine every year by people who go there to fish and hunt. Kentucky ought to be sure a hunter's paradise," Harry Sommers before Ky. Press Association.

### Remember Ollie James.

Senator Paynter's name will be upon the ballot in Saturday's primary although he has withdrawn from the race. For this reason friends of Hon. Ollie M. James are urging that all democrats that go to the polls cast their vote for him and make his nomination unanimous.

### Pay Your License Tax.

Do you own an automobile? Have you paid your license tax for this year? Most licenses expire in this month, and the owner who fails to secure a new license promptly will be good game for some agent of the Auditor. They construe it that if a person is able to own a machine, he is able to keep up the licence, and if he catches you delinquent a stiff fine will be the result.

### Garrard For McCreary.

It is an unusual thing to hear of a democrat in this county against Senator McCreary but we learn that a strong fight is being made to defeat him for the nomination in other parts of the state. We urge the democrats of the county to come out and vote for their choice in this contest.

### Miss McElroy Married.

Miss Oliver McElroy and Mr. Ernest Tonge were married in Campbellsville Tuesday. Miss McElroy will be remembered as the tiny but attractive little composer who was recently a member of the RECORD's staff of composers, and while here by her genial ways, attractive personality and sunny disposition won many friends.

### Lancaster Fair.

Every thing is in readiness for the Fair and a great many Garrard County people have already invited their friends to spend the week of the fair with them. The President of the fair has already received word from the best horseman of the State stating that they would be at the Lancaster Fair on July 26th & 28th. with a fine bunch of show animals. Every one boost the fair and try to get a good crowd here.

### Hon. Ruby Laffoon.

If the democrats of Kentucky will vote for and nominate Hon. Ruby Laffoon, of Madisonville for State Auditor in Saturday's primary, the party will have a nominee who can get the votes in the final race. He was upon the last State ticket which was defeated but polled several thousand more votes than any other candidate on the ticket. He is well known in Garrard county and has many friends who will remember him when they get in the booth.

### Garrard Co. People To South West Texas.

Mr. Wallace Steele of Lexington was in town last Monday, having just returned from Crystal City Texas with a party of Paint Lick and Irvine people. This is the same city in Texas where Mr. Woods bought his land. Mr. Steele says that out of the seventeen who went to Texas with him, he made a sale to every one of them and that they are tickled to death and have found the best place they know of to invest in land. He will leave with another party on the Fourth of July from Lancaster, Ky.

### Picnic.

The Presbyterian Sunday School will give a picnic next week, the exact day to be decided on Sunday morning. Every one be at Sunday School and find out all about this picnic as it is going to be a big one. It is given for the purpose of arousing interest in this work and to get the people to attend. There is no doubt but that at Sunday School is the place to be taught and to learn the word of God, therefore the parents should pay more attention to this work and compel their children to attend as well as attend themselves.

### Bank Examined.

The Garrard Bank and Trust Co. has just been examined by a State Bank examiner and found to be in good condition. Mr. Hurt the examiner told the editor of this paper that the condition of this popular institution was good and that the books were neat and that it was his opinion that the people of this county should know through the columns of the local paper that the accounts were straight and kept in first class condition, the securities clean and that the able management of the bank merits the very liberal patronage accorded it.

### Town Again Lighted.

After several months of Egyptian darkness, save for the best makeshifts available, coal oil lamps, the city on Monday evening was treated to a flood of light from the reconstructed light plant. The plant has been thoroughly overhauled and new wires erected in some places, and as rapidly as possible the service will be improved until it is first class. Of course at first there will be more or less trouble from crossed wires, caused by their not having been in use, and consequently not inspected for some time, but this will be remedied in due time. Now how about an all night service.

### For Lieutenant Governor.

The contest for the nomination for Lieutenant Governor in Saturday's primary is creating some interest among the voters. Hon. Jas. P. Edwards in his usual aggressive and straight forward way is pushing his candidacy and is telling the voters his platform and he is making friends by it. Mr. Edwards, a young man, has been a tower of strength for the party in many hard fought battles. He has been true to the party in every fight since he became a voter. His friends are claiming that his record as a democrat, as compared with his opponents entitles him to the support of the party. He is a lawyer of skill and ability and is in every way qualified to help lead the party to victory in the final contest and we think will serve the people honestly and efficiently if elected. Jas. P. Edwards will be heard from in the future of his State. Men with such ability, magnetism and aggressiveness as Mr. Edwards are always leaders.

### A New Ruling.

The postoffice department has issued a new ruling which requires that renters of boxes at the postoffice must pay their box rent by the first day of the first month of the quarter. This means that you must pay your box rent by July 1st, else you are liable to have your box declared vacant.

### Paynter Withdrawn.

Senator Thomas H. Paynter in a signed statement to the democrats of the state withdraws from the contest for the senatorial nomination. This will be especially pleasing to the host of friends and supporters of the Hon. Ollie M. James, who is the only candidate for the senatorial nomination since Senator Paynter's withdrawal. Senator Paynter's name will be on the ballot but in his statement he asks his friends not to vote for him and to make Mr. James nomination unanimous.

We believe that the next legislature will be democratic and that Mr. James will receive the just reward for his splendid service in the House of Representatives on behalf of the people by being honored in return by them with a seat in the United States Senate.

Now, let us have a representative from Garrard County who will help elect him.

### Don't Overlook This.

The Garrard County Development Association was organized to look after the commercial welfare of Lancaster and Garrard county, and to them we look for the securing of, or attempting to secure industries for the town and county.

There is a well defined rumor that before the housing of another tobacco crop the American Tobacco Co. desires another loose leaf market south of the Kentucky river, and what this company desires they usually get. Lancaster is the logical point for the establishment of this market. This year the acreage has been cut down in the county to approximately about 4500 acres of tobacco, the season for setting has been good, the plants are looking well and the outlook is for a much better grade of tobacco than in several years past.

We want a home market for this crop, and we want it bad, and it strikes us very forcibly that this is our opportunity.

Gentlemen of the Development Association, are you doing anything along this line? In the streets of your efforts to secure the proposed extension of the electric line, and other things in which you are interested, be sure not to overlook this question of a home tobacco market. It is one of our crying needs and we cannot afford to miss an opportunity of securing it.

### Sparks-Ballard.

At six o'clock Wednesday afternoon at the spacious home of Hon. E. R. Sparks in Nicholasville, Miss Sallie Marrs Sparks and Mr. J. Hogan Ballard were united in marriage. The ceremony was said by Rev. Irvine of the Christian church of Nicholasville. The bride was given away by her grandfather, Mr. E. R. Sparks.

Mrs. Marshall Guerrant, an aunt of the bride, was the matron of honor, the bridesmaids were Misses Mayme Lee Ballard, Carrie Boulden, Blanche Hamilton and Charlotte Knobel. Both the bride and her attendants were becomingly attired in white with pink sashes. Mr. Bryan Ballard of Lexington brother of the groom acted as his best man. The wedding march was rendered by Miss Annie Mason and Miss Bessie Chapman assisted with several delightful solos. The happy couple left immediately after the ceremony for a month's trip to New York, Washington, Old Point Comfort and other points of interest in the east, after which they will be at home temporarily at the home of the groom's mother in Bryantsville.

Both of these young people are well known and popular in Lancaster. The bride has often been the attractive visitor of her relative, Miss Marguerite Kinnaird. She is the daughter of the late Edwin Sparks of Nicholasville and a grand daughter of the late Mr. Stephen Marrs of this place, and is one of the handsomest of the many handsome younger set of girls who have been visitors in Lancaster in the last few years.

J. Hogan Ballard is the oldest son of the late William B. Ballard who was a resident of Lancaster for many years, and a grand son of Capt. W. J. Hogan of Bryantsville. Mr. Ballard is the junior member of the Becker-Ballard Co. of Bryantsville, one of the most thriving mercantile establishments in the county, and is one of the substantial young business men of that prosperous locality.

### The Glorious Fourth.

How many of us in celebrating the "glorious Fourth" in our several ways, stop to think what we are celebrating? Many of us know that it is a national holiday and celebrate it as such, some with firing of rockets, cannons etc. to the great danger of our own and other people's life and limbs, some by excursions into the country or on fishing expeditions, others by staying at home for a much needed rest, but few of us think that this is the natal day of American Independence, that one hundred and thirty five years ago today we threw off the yoke of England's oppression and declared ourselves a free and independent people. Think of the strife and bloodshed occasioned by this declaration, think of the hardships that our fore-fathers suffered, hardships that in this day and time can scarcely be imagined, the fruits of all

of which we are now enjoying, and but for which we might be yet paying tribute to the crown of England. That declaration participated in and signed by representatives from the thirteen original states, upon whom the yoke of old England had become so galling as to become unendurable, marked the birth of what was to become the ruling nation of the earth, that now takes rank with the leading countries and is looked up to and respected as one of the foremost of civilized nations. Would it not be a source of pride to these stalwart patriots who were struggling against oppression, and who though greatly outnumbered, had the hardihood to declare their independence, and to uphold successfully that declaration, could they now view the country of their making, could come back and see the United States in the zenith of its glory, and could know that it was through their efforts that this became a free and independent country.

We do not take one half seriously enough the celebration of this day, we hail it as a holiday, which is all well enough, but we should devote at least a small portion of the day to the memory of those grand men who enabled it to be a free country and who sacrificed so much in order that it might be such, and to the end that we might be a free and independent people.

A portion of the day should also be devoted to thanking Almighty God for our freedom and independence, and to imploring His guidance and direction in keeping and preserving our future freedom, peace and happiness.

The Declaration of Independence is one of finest literary achievements ever penned by mortal man, and it should be read by every school child. After setting forth the wrongs put upon us by Great Britain and declaring that liberty is one of the unalienable rights vouchsafed us, it winds up with the following declaration:

"We therefore the representatives of the United States of America, in General Congress assembled, appealing to the Supreme Judge of the world for the rectitude of our intentions, do in the name and by the authority of the good people of these colonies, solemnly publish and declare, that these United Colonies are, and of right ought to be, free and independent states; that they are absolved from all allegiance to the British crown, and that all political connection between them and the state of Great Britain is, and ought to be, totally dissolved; and that as free and independent states, they have full power to levy war, conclude peace, contract alliances, establish commerce, and to do all other acts and things which independent states may of right do. And for the support of this declaration, with a firm reliance on the protection of Divine Providence, we mutually pledge to each other our lives, our fortunes and our sacred honor."

Let us then in the midst of our celebration of the Fourth devote a short time to giving thanks for the enactment of such a wise document as the one from which the above quotation is taken, and to asking Almighty God to assist us in maintaining the tenets of that declaration, and that he will guide us in the ruling and maintaining of this "Home of the free and land of the brave."

### The Democratic Primary.

Before another issue of the Record is in the hands of its readers, the primary called by the constituted authorities of the Democratic Party will have been held and the nominees of the party for United States Senator, Governor and the other state offices, as well as a nominee for the legislature from Garrard County selected by the Democratic voters.

The officers of the primary are selected by the county Committees of the Party in the state, and so far as we are able to learn, it is the aim of Democrats everywhere to see that a fair primary is held. For our party's nominees to have the confidence and support of the people in the final contest, they must be fairly and honestly nominated.

The voters have grown tired of supporting men for offices whose nominations are tainted with fraud. We, therefore, urge that we have a fair primary in this county.

The Democratic party is the dominant party in this state by a safe majority, if we will select as our nominees for the various offices, men who are known to the voters to be suitable for the office sought by them, men whose views upon public questions are known and approved by the people.

The success of the party in November depends largely upon the nominees of the primary, held next Saturday, July first. Each of the nine voting places in the county will be open from six o'clock A. M. to 4 o'clock P. M. Every democrat in the county can lay aside his work long enough to go to the polls and vote in this election. You owe this duty to your party, to yourself and to the good of your county and state. We think it the duty of every man who enjoys the privilege of suffrage to exercise it. It is, likewise, the duty of every party man to use his influence to help select the best men to lead the party and administer the duties of public office.

There are a number of very worthy men asking for nominations at the hands of the party in this primary.

You should be more influenced in your vote in this election by the qualification of the candidate for the office and the principles he represents than by the friendly relations existing between you.

Nominate men who will reflect credit upon the party that presents them to the people, and who will be faithful to the trust while discharging public duty.

Hon. Jas. Edwards is a smart fellow and deserves the vote of this county. Don't forget him on next Saturday. He is a candidate for Lieut. Governor.

### Wendling Must Serve.

The Court of Appeals has overruled the motion for a new hearing in the case of the Commonwealth against Wendling, and he must now pay the penalty imposed upon him by the criminal court of Jefferson county, which was life imprisonment. Wendling was found guilty of the atrocious murder of little Alma Kellner in Louisville nearly two years ago.

### Ed. Walton's Wife Dead.

We are indeed sorry to learn of the death of Mrs. Ed. Walton, which occurred in Florida recently. Her remains were brought to Stanford, her old home for interment.

The many friends of Ed Walton will be glad to learn that he is making good in the newspaper field in Florida and will deeply sympathize with him in his bereavement.

### Picnic A Success.

The picnic given by the Masonic fraternity of Lincoln county in Stanford on last Saturday was a success in every particular. There was between two and three thousand people in attendance, there was plenty of old hand and fried chicken for all and every one had an old fashioned good time and are loud in their praise of the hospitality shown them. About forty Masons attended from this county.

### Confederate Veteran Here.

Uncle Peter Howe, a former resident of the Lowell section, who is now domiciled at the Confederate home at Pewee Valley is home on a visit and in town Saturday. He tells the Record that with the exception of a slight loss of the use of his right side that Capt Mike Salter is in fine health, and that he is now on a visit to relatives in St. Louis, but will return to the home in a few months.

### Republican Convention.

The Republicans of Garrard county have been called together in mass convention on Saturday July 8th at 1:30 o'clock P. M., at the court house for the purpose of selecting delegates to the state convention in Louisville Ky. on July 11, where state officers to be voted for in November will be nominated, also for delegates to attend the convention to nominate a candidate for railroad commissioner for this district.

### The Sick.

The many friends of Mr. W. S. Ferguson will be glad to learn that after fourteen weeks confinement in St. Elizabeth's hospital, Covington, the result of an operation for appendicitis, during which time he was several times in a critical condition, is now able to sit up, attend to his correspondence and walk about the room. However, it will yet be some weeks before he is able to leave the hospital.

Mr. T. B. Walker remains seriously ill at his home on Richmond avenue and very little change for the better is noted in his condition. However, Mr. Walker's condition is not so serious as has been reported, and while his friends are somewhat apprehensive, yet they hope for his recovery.

The recovery of Mrs. Luther Gibbs from a serious operation which she recently underwent at her home on the Kirkville pike is progressing slowly. She is able to take some nourishment, and it is thought her entire restoration to good health is assured.

The many friends of Mrs. R. H. Batson are glad to see her at home again after having an operation performed for appendicitis at a hospital in Louisville. She still has her nurse with her but has about recovered.

### Another Garrard County Man Making Good.

The following complimentary article from the Colorado Herald-Telegraph refers to a former Garrard county man. W. K. Argo was born and reared near Lowell in this county and was a son of Mr. and Mrs. R. M. Argo, the latter being a nephew of General Kennedy. Both of Mr. Argo's parents were deaf and dumb, becoming so when they were about ten years of age as the result of scarlet fever. Early in life Mr. W. K. Argo became an instructor of the deaf and dumb, for a long while being connected with the school in Danville Ky. His health failed and he was compelled to seek another climate, he went to Colorado where he became identified with the deaf and dumb schools of that state, with what success the following article will bear evidence.

"A feature of the commencement exercises of Colorado College was the conferring of degrees on W. K. Argo, and his son, Robert G. Argo, the same morning. Robert Argo was a member of the graduating class and received the degree of bachelor of arts a few minutes before his father was given the degree of doctor of law. Robert Argo, who graduated with honor, will go to Harvard Law School next fall.

"In conferring the degree of doctor of laws on Dr. Argo, President Solum said that the title was in recognition of his great work in behalf of the deaf and blind of the nation.

"At the High School, William C. Argo, a younger son, also graduated with high honors, receiving first prize in American history in a class of seventy students and by his high average in his other studies winning a scholarship in Chicago University."

### Farm For Sale.

We will sell privately 500 acres of the best blue grass land in Garrard county belonging to the estate of Wm. A. Burton, deceased. ### Mrs. Higgins Dead.

The sad intelligence was received here last Friday from Lexington of the death in that city of Mrs. Emma Royston Higgins, wife of Mr. Jerry F. Higgins of upper Garrard. Mrs. Higgins had long been a sufferer and had sought relief in Lexington. Her death was entirely unexpected by the family as they were unaware of the fact that she was in a serious condition as they received a letter from her on the previous day which did not indicate that her condition was more serious than usual.

The remains were brought to her home and on Sunday afternoon, after funeral services by Rev. Frierson, were interred in the cemetery at Old Paint Lick. Mrs. Higgins is survived by her husband and five children, the oldest of which is Miss Jennie Higgins, the Superintendent of schools for Garrard county. Mrs. Higgins was a sister of Mr. William Royston, of the Fairview church section of the county.

### Kauffman-Shackelford.

One of the prettiest church weddings seen in Lancaster in many years was solemnized at the Christian Church on Saturday morning at ten thirty o'clock by Rev. F. M. Tindler, who in his most impressive manner joined in the holy bonds of wedlock Miss Louise Greenleaf Kauffman of this place and Mr. John Hockaday Shackelford of Richmond Ky.

Promptly at the appointed hour the bridal party consisting of the maid of honor, Miss Frankye Kauffman, sister of the bride, Miss Van Greenleaf of Richmond Ky., a cousin of the bride, who was the bride's maid, and Messrs H. Clay Kauffman and Mr. Love, ushers, entered the church and proceeded down the aisles to the strains of Lohengren's wedding march played by Mrs. John M. Mount; they were joined by the bride, accompanied by her mother, who gave her away, and the groom upon the arms of his best man, Mr. James Neal, the latter party entering the church by a side entrance, and proceeded to the altar. The ceremony was rendered more impressive by the maid of honor handing to the groom a ring, which he placed upon the finger of the bride. The bride was handsomely attired in a tailored suit and small hat and carried a huge bouquet of lilies of the valley; the maid of honor and bride's maid wore gowns of white lingerie over pink with picture hats and carried bouquets of pink roses.

After the ceremony the bridal couple left for Lexington in an automobile, from that city they will go to Columbus O., which will be their temporary home.

The church was crowded to overflowing, a tribute to the popularity of the bride, as also was the great number of handsome presents which they received.

Miss Louise Kauffman was one of Lancaster's prettiest as well as most accomplished daughters. She was the oldest daughter of the late H. Clay Kauffman, a prominent attorney at the Lancaster bar, and Miss Emma Greenleaf Kauffman. She graduated at Central University, Richmond Ky., in the last year of that educational institution. After engaging in teaching in Garrard county for a short time, she went to St. Louis Mo., where she readily secured a position in the public schools, and where she has since remained.

The groom is a son of Mr. James Shackelford of Richmond and a brother of Rodes Shackelford, who is well known to many Lancaster people, and is himself a rising young architect, being at present engaged in the construction of a large building in Columbus O., where they will temporarily reside.

Mr. Shackelford has the contract for the erection of the new Tyler hotel in Louisville, and upon the completion of his labor at that point, they will take up their residence in the latter city.

### A Letter.

Appalachia, Va., June, 21st 1911,  
Dr. J. J. Pursley Lancaster, Ky.,  
Dear Sir:

I was at Berea College Commencement; you remember, I am the man that was talking to you about having such a bad blood disease. I bought a package of your Indian Herbs and I taken them just according to directions and they have cured me sound and well.

I have tried many doctors and many kinds of medicine and your Indian Herbs is the only thing that has ever done me any good. Its worth ten times its weight in gold to me. I will always recommend it to all sufferers of blood diseases.

Yours very truly,

J. H. Tate Appalachia Va.,  
Dr. Pursley made a statement to day, to a reporter he says there is never a day but what he gets letters from people all over the country telling of the wonderful cures of rheumatism, blood diseases, kidney troubles, Stomach, and nervous diseases. Cured by taking Pursley's Indian Herbs. A 45 days treatment for \$1.00 mailed to any address. Or call on J. J. Pursley Lancaster, Ky., Sole owner and distributor of Pursley's great Indian remedies.

Mr. John M. Farra.

It was not until he was solicited by a signed petition containing the names of one hundred of the leading democrats of the county, that John M. Farra permitted his friends to announce his candidacy for the democratic nomination to represent Garrard county in the next Legislature.

Altho having been a consistent democrat all his life, and supporting actively every nominee of his party since he became a voter, he has never thought of being a candidate for office before, though being often urged. He would not have been in this race but his friends thought that the nomination was not desired by any one, and looking for a man who could fill the office with credit and ability sought Mr. Farra and induced him to be a candidate. He is sober, scrupulously honest, and very industrious. He is liberally educated, well informed on public questions and is an entertaining public speaker. He is in the very prime of life, the age when men begin to do things. While he is one of the most skillful farmers of the county, he can always find time to work in any cause that means a better town and county.

He was first Lieutenant in Company L. 2nd Kentucky in the Spanish American war and was an efficient and popular officer. Mr. Farra has been a strong advocate of better roads, in fact has been active and public spirited in obtaining better transportation facilities for his county for many years. He is connected by blood and marriage with many of the most influential families of the county, which with his personal popularity makes him one of the leading candidates for the nomination.

Mr. Farra knows the needs of the people of his county, and is fully qualified to push any measure to success before the General Assembly that he may espouse, if honored by election to a term in the Legislature he will reflect credit upon his county. He is a great admirer of the Hon. Ollie M. James and is anxious to go to the legislature and cast Garrard county's vote for that distinguished statesman, who will be the designated nominee of the party for United States Senator after the primary.

## PERFECT CONFIDENCE

Lancaster People Have Good Reason for Complete Reliance.

Do you know how—  
To find quick relief from backache;  
To correct distressing urinary ills;  
To assist sick kidneys?

There's one way—your neighbors know—

Have used Doan's Kidney Pills;  
Have proved their worth in many tests.

Here's Lancaster testimony.

George Wright, Stanford St., Lancaster, Ky., says: "I have never known of a better kidney remedy than Doan's Kidney Pills. Last fall my back ached a great deal and my kidneys were badly disordered, the kidney secretions being scanty and painful in passage. I fortunately had Doan's Kidney Pills brought to my attention and getting a box at Frisbie's Drug Store, I began their use. They relieved me promptly and in return for the benefit I received, I am willing that my name should be used in recommending them. My advice to all sufferers from kidney trouble is to give Doan's Kidney Pills a trial."
